Meet Ms. Grzankowski

Hometown: Lebanon, New Jersey

Family: Parents, Jackie & John (sister & brother-in-law), Randy (brother), Everly (niece), Ledger (nephew) & Benny

My Idea of Fun:

Time with friends & family,
organizing & reading

Professional Life:

B.A. (Psychology) - Lycoming College
Licensed to teach Early Elementary &
Special Education - Lycoming College
Currently earning my Masters in
Curriculum and Instruction

Previously taught 4th grade

Catherine Faust // Flint Hill Elementary // Grade 5

- Lived in VA for 20 years
- Returned to teaching 4 years ago
- Mom to 5 kids
- Originally from State 48 (Arizona)

- Graduated in Secondary Education (high school French teacher) from BYU
- Masters in Education from GMU

- I LOVE the beach
- I LOVE the color green
- I LOVE going to live sporting events
- I LOVE awesome music and musicals
- I LOVE all the places I have lived: AZ, UT, VA, France

5Th. Grade - Ana Ochoa (Instructional Assistant)

Originally from Peru, lived for a bit in Australia and Spain and happily married and settled in U.S.A. since 2004.

Former Flint Hill E.S. parent and current James Madison H.S. Warhawk Parent

This is my second year at Flint Hill supporting this amazing group of human beings (known as TEACHERS)

Love Virginia and its four seasons, I enjoy nature and staying active and what better way than be surrounded by children.

Meet the 5th Grade Team

This Year's Focus

Developing
Critical and Creative
Thinking
skills

Reading and Writing

Students improve their literacy skills through targeted instruction that incorporates all subject areas.

Our Benchmark Advance curriculum includes:

- Themed units that incorporate science and social studies topics
- Word study
- Fiction and nonfiction writing
- Reading across all genres

Our New Curriculum for K-6

Common Topics, K-6

Unit	Knowledge Strand	GRADES						
		K	1	2	3	4	5	6
1	Life Science							
2	Character Matters							
3	Government and Citizenship							
4	Perspectives in Literature							
5	Technology and Society							
6	Themes Across Cultures							
7	History, Culture, and Geography							
8	Earth Science							
9	Economics							

Growing Knowledge Over Time

Essential Questions Get More Complex

Unit 1: Life Science

Plants and Animals Have Needs

Why do living things have different needs?

Kindergarten

Animal Adaptations

How do living things survive in their environment?

3rd Grade

Relationships in Nature

What roles can we play in the balance of nature?

6th Grade

Core Instruction & Students with Disabilities

Benchmark Advance has numerous scaffolds and supports to assist all teachers in providing core instruction responsive to the needs of students with disabilities.

Core Instruction & Multilingual Learners

Benchmark Express is the English Language Development curriculum that complements Benchmark Advance in providing tier 1 instruction for multilingual learners.

Benchmark Advance includes scaffolds and supports for multilingual learners.

Core Instruction & AAP

All students receiving Advanced Academic services will participate in Benchmark Advance, which includes extensions for advanced learners. In addition to inquiry-based research embedded in Benchmark, each quarter will focus on at least one supplemental AAP ELA curricular resource to be used throughout that quarter.

Advanced Academic Programs (AAP)

Fairfax County Public Schools offers a continuum of advanced academic services for students K-12 that builds upon students' individual strengths and skills and maximizes academic potential for all learners.

Math

Students develop confidence, build conceptual understanding and increase fluency with numbers through a variety of learning opportunities.

- Heterogeneous, Flexible Grouping
- Format: Math Workshop
- Targeted Extensions and Scaffolding

Number Sense Routines

Which One Doesn't Belong?

9	16
25	43

5th Grade Math

Quarter 1 Topics :

- Measures of Central Tendency
- Graphs
- Prime & Composite Numbers
- Algebraic Expressions
- Order of Operations
- Whole Number Computation

Looking Ahead: Fraction and Decimal Computation, Geometric Measurement, Probability... and more!

Advanced Math

Quarter 1 Topics :

- Measures of Central Tendency
- Identifying & Representing Integers
- Inequalities
- Fractions, Decimals, and Percentages
- Ratios and Proportions

Looking Ahead: Integer and Fraction Computation, Coordinate Planes, One-Step Equations ... and more!

Science

Students learn new concepts and the scientific method through exploration and experimentation.

Experimental Design

Force, Motion, & Energy

Landforms

Electricity and Magnetism

Light and Sound

Social Studies

Students will study ancient civilizations looking for cultural universals and identifying the ways that the ancient past still affects our lives today.

Research: Greek Mythology Project

Homework

Students should **read** 20-30 minutes every day.

All students will receive math homework from Monday-Thursday.

Students will not have homework on days that they have a test or on the final day of the week.

All students will have access to a homeroom and a math course in Schoolology, which we use for:

- Easy access to digital assignments and resources
- This year, assessments will be taken through Performance Matters

(within Schoolology & replacing Horizon)

Responsive Classroom

We will promote an
academic, socially,
and culturally
responsive learning
environment for our
students.

Communication

Weekly newsletters
will be shared with
you via email.

If you have not received
the weekly newsletter,
please let me know before
you leave.

Dear Families,

We had a wonderful first week of school! This week we worked on building a classroom community. We enjoyed playing games, strengthening our communication and collaboration skills, and learning about our families, interests, favorite activities, and a whole lot more. Students jumped into Language Arts with daily reading, writing, and word study. We are excited to explore more content next week. We are looking forward to a fantastic year!

Please see the attachments for important information about Band, Strings, and Chorus registration.

Below are some important dates and announcements:

- **Headphones:** All students need a pair of headphones (or earbuds) for next week.
- **Band & Strings** registration is open! Ms. Landers and Ms. Mims are so excited to welcome young musicians into our band and orchestra programs. Registration is due **by August 29th**.
 - Questions? Please Email: Helen Landers, Band Director, hlanders@fcps.edu
Tamara Mims, Orchestra Director, tmims@fcps.edu
- **Chorus** registration is open! Ms. D'Alelio and Ms. Golomb look forward to another wonderful year of singing together. Chorus is a free, optional activity that occurs once per week during the school day. It does **not** conflict with Band or Strings. Registration is due **by September 5th**.
 - Questions? Please Email: Kathie D'Alelio - kmdalelio@fcps.edu or Emma Golomb - emgolomb@fcps.edu
- On **Tuesday, September 10th from 5:30-7:00 PM** we will host Back to School Night, so please save the date. We hope you can join us!
- **School is closed on Friday, August 30th and Monday, September 2nd** for Labor Day.

Conferences

- Conferences will be held at the end of the first quarter. I will send an email with a link to sign up.
- You can also request a conference any time if you have a concern to discuss.

Report Cards and Standards-Based Grading

	1	2	3	4
Frequency	Seldom	Some of the time	Most of the time	Nearly all the time
Support	Considerable	Moderate	Limited	No support
Understanding	Limited	Partial	General	Thorough
Errors	Frequent	Some	Few	None

Meets 5th grade expectations

Report Cards and Standards- Based Grading

Report Cards will be available in
ParentVUE on

Tuesday, November 12th @ 6am

*Paper copies will be sent home for Q1

5th Grade Events

- Greek Gods & Goddesses Agora
- Field trips: (Pending Approval and Availability)
Planet Word Museum and Chesapeake Bay Foundation

Questions?

Before you leave....

Please write a letter to your child
so they have something to read
in the morning.

Thank you for coming to
Back to School Night!

I look forward to a wonderful year working with you
and your child!
