Core Instruction & SWD

Benchmark Advance has numerous scaffolds and supports to assist all teachers in providing core instruction responsive to the needs of students with disabilities.

Core Instruction & Multilingual Learners

Benchmark Express is the English Language Development curriculum that complements Benchmark Advance in providing tier 1 instruction for multilingual learners.

Benchmark Advance includes scaffolds and supports for multilingual learners.

Core Instruction & AAP

All students receiving Advanced Academic services will participate in Benchmark Advance, which includes extensions for advanced learners. In addition to inquiry-based research embedded in Benchmark, each quarter will focus on at least one supplemental AAP ELA curricular resource to be used throughout that quarter.

Advanced Academic Programs (AAP)

Fairfax County Public Schools offers a continuum of advanced academic services for students K-12 that builds upon students' individual strengths and skills and maximizes academic potential for all learners.

STEM Challenge

Communication

Dear Families,

Wow! What a wonderful first week of school! We enjoyed getting to meet our fourth grade classes and learning about each of the students.

Here are some friendly reminders:

- On **Wednesday, August 31st from 6:00-7:30** we will host our Back to School Night! More information to come, but please save the date!
- **Registration for Strings closes on September 6th.** Please see the additional information below from Mr. Barger.

Please see the information below for the week in review and looking ahead to next week!

Week in Review	This past week we worked on building a classroom community. The students also worked as a team to complete a fun cup-stacking STEM challenge. We are impressed with how well our students are collaborating and following our classroom routines.
Looking ahead	Next week we will cover the following concepts: <ul style="list-style-type: none">• Language Arts - Creating a community of readers and writers• Math - Learning about our students as math mathematicians as well as exploring the ST Math computer program.• Social Studies - Explore primary and secondary resources as we begin our Virginia geography unit. Students will also learn about our One Kind Act Campaign!
